This page contains a list of a large part of Info-Cult's collection of books, booklets, reports, theses, etc...

Some of them have added details about their contents (such as contributors, subjects or groups) and is provided as an additional source of information.

The collection consists of materials in more than one language (principally English and French). When searching, additional references may be found in another language - for example if using the search word "children" also try "enfants".

Pour rechercher dans la page: Ctrl f

Cette page énumère une grande partie de la collection de livres, livrets, rapports, thèses et documentation reliée détenue par Info-Secte.

Le contenu de certains documents est décrit plus en détails (contributeurs, sujets ou groupes) pour fournir une source d'information supplémentaire.

Dans la collection, les ouvrages sont catalogués dans plusieurs langues, la plupart en anglais et en français. Lors d'une recherche, des références peuvent donc être trouvées dans plusieurs langues. Par exemple si on fait une recherche avec le mot "enfants", essayer aussi avec "children".

Pour le moment, les mots de la liste peuvent aussi présenter des erreurs d'accents, dont il faut tenir compte dans une recherche.
